Lord God,

When the days are cold and wind can pierce
remind us of the warmth of your love.

When days are short, dawn comes late, and dusk arrives early
remind us that in the darkness your light still shines.

When flowers still lie hidden in the earth, leaves are off the trees,
and all seems bleak remind us that spring is but a short time away.

When, in our lives, we experience a season of winter, reach out to us with the
power of your resurrection so that we know you are with us always.

Those who need our prayers this day

Andrew, Alan, Brenda, Dee, Di, Eileen T, Evie, Grahame, Jack,
Janice, Jim, Jo, John J, Julie E, Julie G, Julie J, Llawela, Margaret,

*Lord may they receive your healing and wholeness according to your will
and according to their needs.*
